

Becoming a Volunteer Driver

Want to help your community?

Volunteer Driving is a flexible way to volunteer, which fits around your current commitments whilst providing a lifeline of transport to isolated members of your community.

Volunteer for as much or as little as you like - every journey you undertake is of great benefit to the passenger.

Every volunteer is provided training in MiDAS and Child and Vulnerable Adult Protection and will receive a standard mileage rate reimbursement.

Community Car Scheme

Unable to get where you need to?

Our volunteer drivers are available for essential journeys that cannot be covered by existing public transport or other local transport services.

There's a small mileage and administration fee to cover the costs.

All of our drivers are reference and CRB checked and MiDAS trained. We can provide transport for organisations, or personal bookings.
